10 th	2020-21	RPV, Talegaon	SSC	--	84.44%

TECHNICAL SKILLS:

- **Machine Learning:** NumPy, Pandas, Scikit-learn, Feature Engineering, Model Evaluation.
- **Web Development:** HTML, CSS, Bootstrap, Tailwind CSS, Flask, Django, FastAPI.
- **Programming:** Python, JavaScript, Java, C++.
- **Tools:** Git, GitHub, VS Code, Google Colab.

ADDITIONAL COURSES/CERTIFICATIONS:

- Python Programming Bootcamp (ID-25090018)
- HackerRank CSS Certification (ID-024C81263A76)
- Multiple HP life certifications

ACADEMIC ACHIEVEMENTS:

- Technical Co-head @ISBM ML-Club
- Recognized as a top academic performer in FYBE

EXPERIENCES:

- **Tata Motors, Pune (13 Apr 26 – Present) :**
Working as a AIML Intern in the Engineering Research Centre, contributing to AI/ML model development for Electric Vehicle Powertrain.
- **Artificial Intelligence & Machine Learning Intern, UptoSkills (10 Feb 26 – 10 May 26)**
Worked on machine learning projects involving data preprocessing, feature engineering, and model training. Learned concepts including supervised learning, classification, regression, and model evaluation techniques.
- **Codveda Technologies, Remote (Nov 2025)**
Assisted in developing Python-based solutions and AI-related mini projects. Worked with data handling, automation scripts, and basic machine learning implementations.

ACADEMIC PROJECTS/PROJECTS:

- **Portfolio Website:** (<https://athoofolio.vercel.app/>)
- **Movie Predictor / Recommender System:** Built a content-based movie recommendation system using cosine similarity with a Flask web interface, processing and vectorizing 5,000+ movie records.
- **Expense Tracker Web App:** Developed a browser-based expense tracker with local storage and dynamic UI for adding, editing, and deleting expenses.
- **CivicFix Problem Solver Web App:** CivicFix enables citizens to raise and vote on civic issues, ensuring the most critical problems gain visibility and drive accountable, impact-focused resolutions.

CO-CURRICULAR ACTIVITIES:

- Seminar on topic **Principle Component Analysis, Model Training Workflow.**
- Published Research paper on topic **Model Training Workflow.**

EXTRACURRICULAR ACTIVITIES:

- Participated in multiple online and offline Hackathons.
- Won esports competitions, showcasing teamwork and strategic thinking.
- Uploaded datasets and solutions on Kaggle. (<https://www.kaggle.com/atharvabhosale7471>)

INTERPERSONAL SKILLS:

- **Adaptability in Teams :** Quickly adjusts to different roles and team dynamics to support project goals.
- **Active Listening :** Consistently practices attentive listening to understand team and client requirements accurately.
